UI EnerNet Pay

UI ENERNET is a convenient, secure, cost effective alternative to writing checks. With EnerNet Pay—a Pitney Bowes Digital Document Delivery System—you receive and pay your monthly UI bill right from your personal computer. Your bank account is charged directly for your electric bill and your next online bill will reflect the payment. That means no more checks to write and you save the cost of a stamp as well. And you have your choice of UI payment plans, including Budget Billing. Sign up now at www.uinet.com.
