2008 Home Energy Solutions Program

Customer Interest Form

The objective of the Connecticut Energy Efficiency Fund's Home Energy Solutions (HES) Program, administered by The United Illuminating Company (UI), is to reduce customers' total energy use through a comprehensive treatment of residential dwellings. HES will provide a complete energy assessment of your home, including heavy emphasis on HVAC systems, lighting, building shell measures, and early replacement of old, and inefficient appliances including HVAC systems.

Because there is a potential of oversubscription and high customer participation, UI reserves the right to restrict marketing to homes that could benefit the most. This program is free for customers who heat with electric or natural gas only. **ALL OTHER CUSTOMERS REQUIRE A $300 CO-PAY (SUBJECT TO CHANGE BASED ON PROGRAM FUNDING).** **FILLING OUT THIS FORM DOES NOT AUTOMATICALLY QUALIFY YOU FOR THE HES PROGRAM.** If your home is selected you will be notified via letter or telephone to participate in the HES Program. An authorized adult must be present during the assessment and provide access to the premises.

Please fill out the following, based on what is *CURRENTLY* in your home.

CUSTOMER INFORMATION

(PLEASE PRINT) First Name	Last Name		
Address			
City	State	Zip	Telephone Number ( ) -

INFORMATION

Type of Home	Utility Account Number	Average Monthly Utility Bill	
☐ Single Family ☐ Condo ☐ Duplex	Electric: Natural Gas:	Electric $	Gas $
