

Welcome to UI's Neighborhood

Be Street Light Smart

IF YOU DISCOVER THAT A STREET LIGHT IS NOT WORKING PROPERLY—one that's blinking, off during the night or on during the day—please call us at **1-800 7 CALL UI** (1-800-722-5584) or report the problem online at www.uinet.com. Go to 'Your Business' and find the 'Products & Services' header. Select 'Outdoor Lighting' and 'Repair Request.' When you call, please be prepared to give us the following information to help us locate the street light:

- The town and street address where the light is located or a good description of the location including the closest cross street.
- The pole number, which is located on the street side of the pole at eye level.
- Your name and telephone number.

*If it is a street light in the City of New Haven, please call **946-6091**.*
