

## **The United Illuminating Company**

### **General Service Rate GS**

*Applies throughout the Company's Service Area.*

#### **Availability:**

Effective June 1, 2009 all customers with 200 kW or greater must take service under Rates GST or LPT and on June 1, 2010 customers with demands of 100 kW or greater must take service under Rates GST or LPT. After the customer is placed on Rates GST or LPT, the customer must remain on a time-of-use rate.

#### **Character of Service:**

Service is alternating current, nominally 60 cycles, single phase or single and three phase at one standard secondary voltage as determined in accordance with the Company's Requirements for Electric Service.
