

**The United Illuminating Company**

**Transmission Adjustment Clause**

*Applies throughout the Company's Service Area*

The Company shall reconcile the transmission revenues collected from customers against the projected transmission revenue requirements calculated for such services. The reconciliation will recover or refund, with interest calculated at the Company's weighted average cost of capital used for its distribution rate, any under or over collection of transmission revenues in accordance with the semi-annual reconciliation.

TAC Rates:

Residential Rate Applicable to Rates R and RT	0.0000¢/kWhr
Non-Residential Rate Applicable to all other Rates (except Special Contract Customers)	0.0000¢/kWhr

The TAC rate is applied on a per kilowatt-hour basis (i.e., the above rate times the kilowatt-hours), and shall be in addition to the existing base Transmission Rate stated in the applicable tariff. The TAC rate shall be added (credited) to the base Transmission Rate and the total amount included in a single line item on customers' bills.

The TAC is not applicable to Special Contract Customers.
