

### Inverter Rating

Manufacturer:  
Model #:  
Max DC Volt Rating (V):  
Max Power (kW):  
Nominal AC Voltage (V):  
Max AC Current (A):

### External AC Disconnect

Manufacturer:  
Model #:  
Volt Rating (V):  
Current Rating (A):

\*\*\*Note this drawing includes the following:

- Standard electrical drawing symbols
- Sizes for all overcurrent protection devices
- Inverter specifications
- AC Disconnect Ratings

Sample Photovoltaic  
System 1-line  
<10kW
