

ACH Authorization Form

(US banks only)

Attention Valued Supplier,

In an effort to lower transaction costs and expedite delivery of our payments in a quicker and safer manner, Avangrid requests a change from physical check to electronic funds transfer via Automated Clearing House/Electronic Funds Transfer(CTX) Authorization.

- Please use the form below and Accounts Payable will update their system to pay directly to your financial institution.
***For secure account verification WE REQUIRE AN ORIGINAL voided check to be submitted with this form.**
- ACH reduces time and resources needed in handling paper checks, depositing them in your bank, resulting in continued cost savings to your company; as well as, reduces payment issues related to lost, stolen or misdirected checks which eliminates mail delays.
