Enter Workbook identifier in this cell (i.e. "Bidder_X_UI_LRS_Bidder_Workbook_RFP_012019" for a Bidder with an identifier provided by UI of "X").					
Instructions:					
1. DO NOT USE SAMPLE BIDDER WORKBOOK FROM RFP DOCUMENTS TO SUBMIT BIDS. Use Official Bidder Workbook with your unique alpha-numeric identifier provided by UI. Price quotes provided in any other format will not be accepted.					
2. Modify yellow cells only. Make no changes in other cells.					
3. Do not enter pricing on this page. Pricing on this page populates automatically. Enter pricing in tabs for each Tranche in this Workbook. Workbook rounds prices to nearest \$.01/MWh.					
4. Make sure prices are populated for every month and for both on peak and off peak periods. However, prices do not have to vary on this basis (i.e. suppliers are not obligated to differentiate pricing by month or time of use).					
5. Quantities on the "Bidding_Load_LRS" worksheet are the product of monthly UI load for GST and LPT customers (including those taking generation service from entities other than UI) for 3/1/2017 - 2/28/2018, times the February, 2018 migration percentages (percentage of GST and LPT taking generation service from UI).					
6. Suppliers are responsible for serving actual Last Resort Service load, irrespective of the quantities in this table. Quantities in workbook are for bid evaluation purposes only and are not relevant to contractual service obligations. Actual load will differ from these quantities.					
7. UI is only seeking Fixed Price LRS bids, no Index Adder bids.
