

## The United Illuminating Company

### General Service Time-of-Use Rate GST – Last Resort Service

*Applies throughout the Company’s Service Area.*

**Availability:**

Service under this rate is optional for all requirements on a Customer’s Premises, subject to the availability and installation of metering equipment.

**Character of Service:**

As of January 1, 2007, supplier of last resort service will be supplied to large customers (those with peak demand of 500 kilowatts or more), other than those on special contracts or flexible tariffs.

Service is alternating current, nominally 60 cycles, single or three phase at one standard secondary voltage as determined in accordance with the Company’s Requirements for Electric Service.

Service will be delivered at one point through a single meter. When the Company elects to meter the service at primary voltage the kilowatt-hours metered will be reduced by 3% for billing purposes.
