

2027 Community Relations Funding Request Form

United Illuminating, Southern Connecticut Gas and Connecticut Natural Gas, all part of the Avangrid family, are committed to having a positive impact in the communities we live and work in by dedicating our efforts to creating partnerships with organizations focused on the well-being of our customers.

Annually, we provide small grants of up to \$5,000 to local organizations in our service territory. We operate on a calendar year and consideration begins in November for the new year and ends the last week of December.

To apply for support, please complete the form below and email it to:
fundingrequests@uinet.com

Important Considerations

CNG, SCG and UI do not fund organizations which discriminate based upon age, race, color, sex, religion, national origin, disability, family status or sexual orientation.

Funding support will be for one year only. We do not make multi-year commitments.

Funding will not be considered for organizations that are not tax exempt under the Internal Revenue Service Code, individuals, or politically-based organizations.
