Re: Partial Consent Order #COWSPCB 15-001
Monthly Progress Report – July 2026

Dear Mr. Trombly:

Pursuant to paragraph B.6. of the Partial Consent Order (PCO) between the Commissioner of Energy and Environmental Protection (the "Commissioner") and The United Illuminating Company ("UI"), UI is submitting the following Progress Report for the month of July 2026.

In accordance with Section B., 13 of the PCO, the undersigned certify as follows:

"I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify, based on reasonable investigation, including my inquiry of those individuals responsible for obtaining the information, that the submitted information is true, accurate and complete to the best of my knowledge and belief. I understand that any false statement made in the submitted information is punishable as a criminal offense under §53a-157b of the Connecticut General Statutes and any other applicable law."

If you have any questions regarding this submittal, please do not hesitate to contact Eric Boswell at (860) 508-6375 or eboswell@avangrid.com .

FORMER ENGLISH STATION PROJECT MONTHLY PROGRESS REPORT

July 2026

Partial Consent Order: COWSPCB 15-001
UI Project Manager: E. Boswell
LEP: Marya B Mahoney - TRC

Respondent: United Illuminating Co. (UI)
Reporting Period: July 2026

Site Information: Former English Station
510/510A Grand Avenue
New Haven, CT

1. **Main Activities During Reporting Period:**

   a. In response to a request from UI dated June 17, 2026, on July 13, 2026, CTDEEP approved a stay of dates associated with CTDEEP's *Conditional Approval for the Parcel B PCB Remedial Action Plan* and UI's response to CTDEEP's comments on the *Parcel A & B Soil Remediation Project Technical Specification.*
   b. UI performed routine inspections of:
      i. General site activities and conditions including the site perimeter, security measures, permit regulated activities, and waste storage areas on a monthly frequency.
      ii. Eight Significant Environmental Hazard ("SEH") areas, on a bi-weekly frequency.
   c. On July 2, 2026, one 55-gallon steel drum of used Personal Protective Equipment (PPE) was transported off the site for disposal as PCB Remediation Waste.

2. **Future Activities:**
   a. Coordinate timing of soil remediation activities on Parcel A following receipt of CTDEEP approval of the contractor plans and specifications, subject to contractor availability and weather conditions. The initial tasks will include:
      i. Contractor (MBI) mobilization of temporary facilities for Parcel A soil remediation work.
      ii. Remove and dispose of debris pile materials on Parcel A in accordance with the approved RAP. Sampling of media underlying the debris pile materials as required by the approved RAP.
      iii. Replacement and installation of soil erosion and sediment control measures as necessary during performance of indicated Parcel A soil remediation activities.
      iv. Waste characterization sampling for soil disposal.

3. **Site Security**:
   a. Continue to maintain the security measures put in place by the property owners as of August 2016, and as subsequently upgraded by UI.
   b. One trespasser incident occurred on July 26, 2026. Five people entered the Site by cutting the fence along Grand Avenue and left immediately after triggering the audible alarm. The NHPD was notified and the fence repaired.

4. Estimated Costs Incurred to Date (31 July 2026):

Category	Expense ($) (As of 31 July 2026)
Eligible Expenses[1]	
Contractor-Environmental Remediation & Construction Services[2]	$10,883,291
LEP, Engineering & Professional Services	$6,347,758
Miscellaneous	($58,711)
